

**29th Early Detection Research Network (EDRN) Steering Committee Meeting**  
**March 31, 2015 – April 2, 2015**  
**Emory Conference Center Hotel, Atlanta, Georgia**

**Lung and Upper Aerodigestive Cancers Collaborative Group Meeting**  
**Tuesday, March 31, 2015**  
**1:30 p.m. – 5:30 p.m.**  
**Salon III**

**Chair:**

Pierre Massion, M.D., Vanderbilt Ingram Cancer Center

**Co-Chair:**

Avrum Spira, M.D., Boston University

**NCI Program Directors:**

Lynn Sorbara, Ph.D., National Cancer Institute

Karl Krueger, Ph.D., National Cancer Institute

**Objective:** The discussions will focus on validation trials, some of which are underway and some are currently being developed. This will enable the EDRN to use its CORE funds in a timely manner to support these trials when the new cycle of the EDRN begins. There will be some turnover in the next round, but in the event that a current investigator who is participating in a validation trial is not funded in the next round, CORE funds will be used to support their participation. NCI is seeking help in forming Implementation Committees that will work on these proposed validation trials to formalize them before the next cycle begins.

**Agenda**

1:30 p.m. – 1:45 p.m.	<u>Welcome and NCI Updates</u> Lynn Sorbara, Ph.D., National Cancer Institute
1:45 p.m. – 1:15 p.m.	<u>Review of Accrual and Data from Lung Team Project</u> Mark Thornquist, Ph.D, Fred Hutchinson Cancer Center, DMCC
1:15 p.m. – 2: 45 p.m.	<u>Update and Data Presentation – Individual Lung Projects</u> <b>Moderators:</b> Pierre Massion, M.D., Vanderbilt Ingram Cancer Center Avrum Spira, M.D., Boston University  Presentations from All EDRN Lung Principal Investigators
<b>2: 45 p.m. – 3:00 p.m.</b>	<b>Break</b>
3:00 p.m. – 5:30 p.m.	<u>General Discussion</u> <b>Moderator:</b> Harvey Pass, M.D., New York University School of Medicine
<b>5:30 p.m.</b>	<b>Adjourn</b>
